Reading QR Codes

```
IntentIntegrator i = new IntentIntegrator(context);
i.initiateScan();

protected void onActivityResult(int req, int res,
                                Intent d) {
  IntentResult result =
    IntentIntegrator.parseActivityResult(req, res, d);
  if (result != null) {
    Log.d("scan", result.getContents());
  } else {
    super.onActivityResult(req, res, d);
  }
}
